To whom it may concern;

In Re: Docket No. 2011-388-T

As the owner of Royal Movers & Delivery Services I would like to amend the application for my State License as a House Hold Goods Mover. I would like to reduce my request to only do business in York, Chester, Lancaster Counties and not statewide. Please email me a new NOTICE OF FILING showing the changes so that I can place the notice in my local newspaper.

Thank You,
